

CAMP KERN HORSE PROGRAM

APPLICATION FOR TRAIL RIDES AND HORSEMANSHIP MERIT BADGE

MERIT BADGE CLASS

This exciting all-day session is held in place of the unit hike on Wednesday. Camp staff will barge Scouts across the lake early in the morning and pick them up later that afternoon. Scouts will enjoy a full day of learning about horsemanship and then end the day with a two-hour ride. Each participant will need to bring their merit badge worksheet and blue card, and have read the merit badge book prior to attending. Classes are limited to 25 youth per week (recommended for boys 12 years and older). All participants must pay the \$100 fee prior to attending camp and have a signed waiver with them when they arrive at the pack station.

TRAIL RIDES

Units may wish to take a trail ride during the Tuesday and Thursday free-time periods after lunch. Rides begin at 2:00 p.m. D & F Pack Station offers a choice of (2) two-hour rides; a mountain ride or a ride along the lake. Rides are on a first come-first served basis. Units may reserve a ride by contacting D & F directly. Cost of the ride is paid upon reservation. Approximate cost is \$50 per rider. Remember to bring signed waivers for each rider.
