Information about Employment

The Southern Sierra Council operates a variety of camps to meet the needs of the youth in Central California. These include long-term resident camps for Boy Scouts and short-term resident camps for Cub Scouts and families.

Opportunities to serve Scouting as a member of a Southern Sierra Council camp staff are available to outstanding applicants. The application process is competitive; the jobs demanding; the experience exhilarating.

Applicants are considered for positions without regard to race, color, religion, sex, national origin, age (if over 18), marital status, veteran status or the presence of a health problem or handicap that is unrelated to their ability to perform the jobs requested.

The preferred age requirement is 18 for many positions. Minimum employment age is 15. Counselors in Training are age 14. Positions that require certification must be a minimum of 21 years old. Applicants must be of minimum age by June 20th.

This Southern Sierra Council camp staff application, employment agreement, and medical forms are required to be completed and on file with the Southern Sierra Council prior to employment for all staffs, regardless of whether position is salaried or voluntary.

All applicants for paid positions are also required to complete Form I-9 "Employment Eligibility Verification," in addition to the staff application and employment agreement. Enclose a copy or photocopy of two forms of identification (we suggest a driver's license, and social security or student ID card.)

The length of employment varies with job assignment; some are as long as ten weeks and others less than a week. The maximum payroll hours per week is 48 hours.

Applicants must be registered members of the Boy Scouts of America or agree to become registered before employment begins.

The principles of the Scout Oath or Promise and Law must be practiced as a way of life.

The staff is expected to set an example of excellence in Scouting, which includes the proper wearing of the uniform, and adhere to standards of personal appearance.

Salary is based on position responsibility with consideration given to the individual's experience.

Review the list of jobs and indicate three preferences on the application. Resumes are welcome but not required.

Some positions require some vehicle driving. You must have a valid driver's license to qualify for such a position.

Submit your application early. Opportunities for employment are better for those who apply at least 6 months before the scheduled camp opening. The Camp Director or the Southern Sierra Council will notify you when a decision is reached.
